

CAREER BOOST PROGRAM GENERAL TRAINING PATHWAY STUDENT FACT SHEET

WHAT IS CAREER BOOST - GENERAL TRAINING PATHWAY FUNDING?

Career Boost is one of the Queensland Government’s core funded vocational education and training (VET) programs, managed by the Department of Trade, Employment and Training (DTET).

The core VET programs provide subsidised training opportunities for Queenslanders aligned to the priorities set out in the DTET Training Priorities Plan.

Career Boost aims to take a person’s career to the next level, enabling them to grow and apply their skills to existing or new job roles and to support productivity growth and workplace innovation.

The program delivers training to help individuals develop the higher-level skills needed to secure employment, advance their careers, or progress to further education and training to undertake university or tertiary qualifications.

Career Boost offers either a **general training pathway** or **employment-based apprenticeship or traineeship pathway**.

HOW MANY TIMES CAN I ACCESS CAREER BOOST FUNDING?

Under Career Boost, an individual may access:

- One subsidised training place in either a certificate IV, diploma, or advance diploma qualification under the general training pathway; OR
- A higher level apprenticeship/traineeship at certificate IV or above; and
- Up to two subsidised skill sets in priority industries or sectors as part of the program.

An individual cannot do two general pathway qualifications under Career Boost. This is to ensure equitable access for all eligible Queenslanders to a training opportunity.

WHAT ARE THE TWO PATHWAYS?

Apprenticeship/Traineeship Pathway

For apprenticeships and traineeships, an individual must be employed as an apprentice or trainee. This pathway is part of the Australian Apprenticeships system and requires all parties to sign an Apprenticeship and Traineeship Training Contract (the Contract) as defined by the Further Education and Training Act 2014 (the Act).

The employer of an apprentice/trainee must provide or arrange to provide adequate facilities, range of work, supervision and on-the-job training required by the Act and training plan. The Supervising Registered Training Organisation (that is us) is required to assess these employment arrangements, complete an Employer Resource Assessment and develop the training plan in consultation with the employer, apprentice and/or trainee to ensure compliance with the Act.

General Training Pathway

Qualifications and introductory skill sets delivered through a general training pathway are available for direct enrolment and do not require the student to enter into a training contract (apprenticeship/traineeship) with an employer.

ARE THERE ANY COSTS INVOLVED AND WHO PAYS THEM?

As part of the Career Boost Program – General Training Pathway, co-contribution fees must be collected. This fee can be paid by the student themselves or on behalf of the student by a third party. The applicable fee is paid upon enrolment and prior to commencement of training and is the final & only fee the student must pay.

Co-contribution fees are not payable for units that are awarded a Credit Transfer. If you are awarded a Credit Transfer, you will be refunded the co-contribution fee paid for that unit.

COURSES AVAILABLE

- ❖ AHC42021 – CERTIFICATE IV IN LANDSCAPE CONSTRUCTION MANAGEMENT
- ❖ AHC50422 - DIPLOMA OF HORTICULTURE MANAGEMENT
